Scope of Offerings

Manutek Inc. offers Information Technology, Communication, and Audio-Visual (ITC/AV) products and product-based services under Category A, enterprise-wide managed and shared IT services under Category B, and mission-based IT, cybersecurity, and technical services under Category C, consistent with the full scope defined in the SEWP VI Statement of Work. Representative technology areas include:

- Computer systems, storage systems, and networking/communications equipment
- Software and cloud technology solutions
- Security and sensor equipment
- Product-based services: installation, integration, training, maintenance, and warranty support
- Enterprise-wide managed IT services, IT service management, and cybersecurity support (Category B)

- Mission-based custom programming, network operations, cybersecurity services, and IT consulting (Category C)

A specific product or service not listed above may still be in scope — contact Manutek Inc. directly to confirm availability under the current SEWP database of record.

How to Request a Quote

Manutek Inc. responds to Requests for Quote (RFQ), Requests for Information (RFI), and Market Research Requests (MRR) issued through the NASA SEWP Quote Request Tool (QRT), accessible via the SEWP website.

1. Submit an RFQ, RFI, or MRR through the SEWP Quote Request Tool, selecting Manutek Inc. among the Contract Holders for Fair Opportunity consideration.
2. Manutek Inc. will respond within the RFQ's stated response window with a quote reflecting current SEWP database of record pricing.
3. Quotes include a stated validity period; orders submitted within that period will be honored at the quoted price.
4. For assistance identifying whether a specific requirement is in scope, contact Manutek Inc. directly using the information at the end of this guide.

Fair Opportunity Notice

SEWP VI is a multi-award Indefinite-Delivery, Indefinite-Quantity (IDIQ) contract. Per FAR 16.505(b), all similarly-situated Contract Holders must be given Fair Opportunity to compete for orders exceeding the micro-purchase threshold, absent a documented exception. Manutek Inc. does not solicit or accept orders that circumvent Fair Opportunity procedures.

Pricing & Discount Policy

All pricing listed in the SEWP database of record for Manutek Inc. is maintained at or below the applicable GSA Schedule price (where one exists) or comparable commercial/Federal price, consistent with SEWP VI contract terms. The Government may negotiate additional discounts on an order-by-order basis.

Delivery Terms

- **Standard delivery:** 30 calendar days from order processing.
- **Expedited delivery:** available by mutual agreement, noted on the delivery order.
- **Partial shipments:** require prior authorization on the delivery order.

Payment Terms

- Manutek Inc. accepts payment via Electronic Funds Transfer (EFT) and Government Purchase Card, consistent with the Prompt Payment Act.
- Invoices are submitted to the Designated Billing/Payment Office specified on each delivery order.
- Manutek Inc. does not accept payment via third-party consumer payment platforms (e.g., Venmo, PayPal, CashApp) unless explicitly authorized by the Ordering Contracting Officer.

Warranty & Support Policy

Manutek Inc. honors standard OEM warranty terms on all products sold under this contract. Extended warranty coverage is available for purchase at any point during the standard commercial warranty period. Software and

product maintenance is provided consistent with SEWP VI contract terms and the applicable OEM's maintenance policies.
